TO WHOM IT MAY CONCERN

This is to certify that Mr. **Kshitij Sohane** has done his internship at **Artenal**, Vancouver, Canada. from May 10, 2021 to September 15, 2021.

He has worked on a project titled Fruit detection. This project was aimed to launch a Fruit Detection Algorithm for fruit farmers all around the world. As part of the project, he diligently worked towards Filtering of Data, Data analysis, labelling, model training and hyper-parameter tuning during his tenure. He worked on multiple aspects of Machine Learning, by working on developing & training models, Image labelling and trial testing.

During the internship, He demonstrated enthusiasm towards the development of skills with a self-motivated attitude to learn new things. His performance exceeded expectations and was able to complete the project successfully on time. He also showcased amazing leadership skills. He was not only knowledgeable but also Innovative and Critical Thinker to solve various problems to overcome minute details.

We absolutely recommend him for any future positions that you might have in your organization.

We wish him all the best for his future endeavors.
